League FAQs

I'm new to the area and want to get on a team. What is the best way to do this?

There are "I Need A Team" forms at Capt'n Bill's and on our website that you can fill out and post on the bulletin board and submit to an online list. We also have an individual sign up option on our website as well.

My team played last league. Can you use the same roster? *No, a new roster must be submitted by each team for a new league. But if you are using the same roster from season to season there is a "Use Last Seasons Roster" feature that will make the process super quick and convenient.*

Are all of your leagues coed? *For the most part yes. But we do offer Mens and Womens triples league on Friday nights and in our Doubles leagues we allow two females to play together if they choose to.*

How many players can we have on our roster? *2 person teams can have up to 4 players, 3 person teams can have up to 6 players, 4 person teams can have up to 8 people on their roster and 6 person teams can have up to 12 people.*

Do you require our team to have matching shirts or uniforms? *What teams decide to wear is completely up to the team, as long as it is appropriate for a family establishment. Some businesses prefer that players wear company shirts which is acceptable.*

Can I sign up as an individual? *Sign ups are taken by the team only. If you don't have a team and want to play, fill out a form at Capt'n Bill's or online at www.captnbills.com. Be sure to ask about our open roster teams where you can come and play in a league with others looking for a team. This is a great way to connect with others and hopefully form your own*

team to play in the league!

How old do I have to be to participate in league play? *If a parent is playing on the team with the child, it is the parents discretion to the age the child should play, knowing the risks of injury and signing a release form for the child. If the parent is not playing on the team, the child must be at least 16 years old.*

I'm not sure who is going to play on my team next season. Is there a grace period to add players to the roster? *Captains have to have a roster in before the start of the league. Captains can make changes (add/drop) to their roster, by using their Players Corner Account. They can make these changes anytime during the season up to week 9 by.*

Capt'n Bill's Backyard Grill & Outdoor Volleyball Facility

Our unique facility features ten lighted sand volleyball courts, offering play from beginner level to advanced competition. Participate in league and tournament play or just come by and play a pick up game.

NEED A TEAM

Looking for a team? Make sure to post your information on our website under the I Need a Team link so teams looking for additional players can contact you. As well as posting a "I Need A Team" flyer on our bulletin board.

RAINOUTS

We do our best to get all games in during their scheduled time but if we do have to make up games they will be scheduled for additional hours of play during a later week or will be re-scheduled on a different night based on when/where we can fit the most teams.
